

## Enter Now To Win A Special Edition Miinus Bike

We have a busy schedule ahead for the next few months and to mark the occasion of our entry into the UK kitchen market, we are offering two people the chance to win a Miinus bike, (below), made specifically to celebrate Puustelli's 95th anniversary.

To win the first of our two bikes just follow us on Twitter, [here](#) or like our Facebook page [here](#), then, using the hashtag [#miinuskitchens](#) tell us in no more than 6 words, why it's important to go green in the kitchen - share your post/tweet and that's it - your name is in the pot.

\*Competition is open to UK and Irish residents only

For a second chance to win a Miinus bike, we are exhibiting our Miinus Kitchen range at [Ecobuild](#) between 8th-10th March and to be in with a chance of winning the second bike, visit our Puustelli Miinus stand E3160, take a "Puustelfie", (our translation of a Selfie), and post it to Facebook or Twitter, follow us on [Twitter](#) or Like our [Facebook](#) fan page using the same hashtag [#miinuskitchens](#), leave your contact details with us and that's it - you're in the mix to win.

Both winners will be announced on our stand on March 10th and will also be alerted via our Twitter and Facebook accounts.
